## **CRAZY SOCK DAY!**

On the 27th of October on Wednesday we all came to school in our craziest socks and brought a gold coin donation for the Catholic Missions which give the money to the poor.

At the start of the day we did our normal school work just like we do every day. Before lunch, we had photos with our socks for the newsletter and had lots of laughs doing silly photos, even the teachers got involved!

After a fun play at lunch time we all brought our recycled materials that we collected from home into the 3/4 classroom so we could build our sock balls (which are like soccer balls but made with recycled materials) just like the poor children do in Thailand.

Later that afternoon, we finished making our sock balls and cleaned up ready to go outside to try kicking them. Once we were outside the 3/4/5/6 kids lined up ready to kick theirs. The winners of 3/4/5/6 was a tie between Jack Rees and Karter Grover! They won a gift voucher for something at the canteen.

Finally, the K/1/2 did their kicks and Dougie Watson won and he got the same prize as the others. We all had such a fun day and all participated which was the best part!

We love crazy sock days!
