UAC Digital - Let's Chat - Applying for the Educational Access Scheme

Wednesday 2 November. 6pm

The Educational Access Scheme (EAS) can help students who have experienced long-term disadvantage get into university. The Educational Access Scheme (EAS) is for students who have experienced long-term disadvantage(s) and may help with entrance into university. We'll give you an overview of EAS and discuss:

- categories of disadvantage
- how to apply
- application documentation
- EAS key dates
- application tips.

And we'll give answers to the most commonly asked questions!

<https://uacdigital.easywebinar.live/registration-lets-chat-applying-for-the-educational-access-scheme>

UAC Digital - Let's Chat - The Schools Recommendation Scheme, course preferences and offers

Wednesday 9 November. 6pm

Have you applied for the Schools Recommendation Scheme? Let's discuss what to do now!

Have you applied for the Schools Recommendation Scheme?

The Schools Recommendation Scheme (SRS) is one way institutions make early offers of undergraduate admission to Year 12 students. They do this by using criteria other than (or in addition to) the ATAR.

Learn about key dates, listing course preferences and what to do once you receive an offer.

<https://uacdigital.easywebinar.live/registration-lets-chat-the-schools-recommendation-scheme-course-preferences-and-offers>

Apply for undergraduate study

Applying is quick and easy.

Take a look at our short video guides for Year 12 students and post-school applicants.

You can apply or log in between 7.30am and midnight (Sydney time) and we'll automatically log you out if you're inactive for 30 minutes.

There is a non-refundable processing charge of \$73.00 AUD. You can pay using Mastercard, Visa or PayPal. Your application is not complete until you have paid.

Do not submit more than one application in each admissions year. Duplicate applications will be cancelled. Log back in to your application to update your contact details, qualifications or course preferences.

Offers are made on specific dates throughout the year. There are application deadlines for each offer round.

<https://www.uac.edu.au/key-dates>

What is the ATAR?

The ATAR is a rank, not a mark.

The Australian Tertiary Admission Rank (ATAR) is a number between 0.00 and 99.95 that indicates a student's position relative to all the students in their age group (ie all 16 to 20 year olds in NSW). So, an ATAR of 80.00 means that you are 20 per cent from the top of your age group (not your Year 12 group).

Universities use the ATAR to help them select students for their courses and admission to most tertiary courses is based on your selection rank (your ATAR + any applicable adjustments). Most universities also use other criteria when selecting students (eg a personal statement, a questionnaire, a portfolio of work, an audition, an interview or a test).

Law Buffs - What is the WSU High School Mooting Competition?

Monday 31 October 2022 - Tuesday 1 November - Preliminary Rounds

Friday 11 November 2022 - Semi-finals and Final

Mooting - arguing a hypothetical legal case - was initially developed as a means of training young barristers about legal process, advocacy and persuasion. Today, mootings are an important part of the curriculum within the School of Law at Western Sydney University, providing students with the opportunity to develop skills in appellate (as compared to trial) advocacy in real courtroom settings.

The School of Law is inviting high school students in Western Sydney to participate in the Kirby Cup Western Sydney University High School Mooting Competition in 2022.

The registered high school mootings teams will be organised to compete against one another in a preliminary competition to be held online on 31 October and 1 November 2022.

The semi-finals and final will be held on 11 November 2022 in an official courtroom setting at our Campbelltown campus. The Judges of the Final will include current and/or former New South Wales and Federal Judges. Parents and family are able to attend the Finals.

University - General

How to transfer to a different degree

Please be aware that the information listed is subject to change. For further information on any of the above or for general inquiries please contact the careers faculty. Email careers@khs.nsw.edu.au

Eve Kiernan, Joe Evans & Paul Bollard (Careers Advisers)

Many students enrol in a course with a plan to transfer into another course after completing a year's study. A typical example is completing one year of a general degree (such as Arts) and then transferring to a more specialised degree (such as Arts/Law). Other students start a degree only to find it's not quite right for them. They'd like to move to a completely different degree.

Whatever your reason for wanting to transfer to another course, how do you do it?

EarthX Eco Art Competition

Closes: January 24 2023

Young artists, aged up to 22, create a 2-D, two dimensional or 3-D, three-dimensional artwork that illustrates the 2023 theme message: Protectors for the Planet. Participants may use any medium or combination of media if the work meets the size requirements designated in the Official Rules.

The artwork must address this year's theme: Protectors for the Planet. The subject matter can center around different aspects of the theme. Artists could illustrate how they would directly impact their community or provide a solution to a global environmental concern. The artist may interpret the theme Protectors for the Planet to include individuals taking action towards a more sustainable planet. Artists may use visual elements to express their views on: biodiversity, ocean health, pollution, climate change, waste disposal, conservation, wildlife habitat security or green innovation, to name a few.

Creative Workshops

Today's working world in the creative industry poses a unique set of challenges to maintaining our mental wellbeing; more than ever when we experience isolation, restriction and loss of community life in lockdown, and with uncertainties in our current times.

Australian Design Centre has joined forces with MakeShift to present online workshops that give creatives practical and playful skills that can be used every day to improve or maintain your mental health and self care.

Young Justice Program Express Your Interest

Young Justice is an annual program run by the Law Society of NSW which offers school students an opportunity to explore, learn and discuss issues of law and justice with inspiring professionals and experts in the legal industry.

We are again running the Young Justice Program for Years 10 and 11 throughout 2022.

We invite your school to select up to 10 students from Years 10 or 11 to attend the Program. We recommend that you select students who have demonstrated an interest in social justice issues and pursuing a career in the legal industry.

There is the capacity for a total of 100 students (maximum of 10 from each school) to attend the full program this year and schools will be accepted on a first-come-first-served basis. We encourage diversity amongst the participants.
