

THANKS FOR

Yarra City Council is trialling a 30km/h speed limit in a pocket of Fitzroy and Collingwood.

Join us on Saturday 20 October to find out more. Come along to ask questions, pick up a supporter poster, share why you support Thanks for 30 and talk with other members of your community.

We'll be in Rose Street, at the corner of Fitzroy Street, between 10am and 2pm.

See you there!

Yarra City Council is working to create livelier, healthier streets that everyone can enjoy, whether they are walking, driving or riding.

You will see the new speed limit signs go up in your area over the next couple of weeks.
