

To Parents/Carers,

We are ending the year with a fun afternoon to celebrate all of the grade 6 students. After voting and discussing ideas with students they have decided that they would prefer a fun day activity instead of the dinner after graduation. Students will get to have a fun afternoon with their friends at Laser Quest in Geelong. We will be leaving school on a bus at 1:00pm and will conclude our celebrations at 4:30pm at Johnstone Park in Geelong. Students will need to be collected from here as there will not be a bus back to Teesdale.

DATE: 18th of December 2024

TIME: Leave Teesdale at 1:00pm. **Pick up (by families) at 4:30pm from Johnstone Park.**

COST: The cost of the afternoon is \$32. This covers the bus to Geelong, 2 hours of fun at Lazer Quest and party snacks! Payment is due 27th November 2024.

FOOD: Students will need to bring their lunch as normal. There will be some snacks provided in the afternoon.

UNIFORM: Students must be in full school uniform appropriate to the weather on the day – hats included (no jeans, multi-coloured pants, coloured leggings etc.) Please refer to the school's Student Dress Code Policy for further information. This can be found on the school's website.

In accordance with Teesdale Primary School's Code of Conduct, students who are not displaying appropriate behaviours at school will not be able to attend this excursion.

Regards,
Jaclyn Kearney and Reshae Armstrong
5/6 Classroom Teachers
