Term 1 Recap

It was a quick and action packed Term, with so much going on from day 1. We held three meet and greets, and it was so amazing to see so many of you there. Our first BBQ of the year was a huge success at Twilight Sports, even if we had to move from our usual location, with our secondhand uniforms also proving popular once again.

Cake raffles started back up for the year, with so many delicious cakes, cookies and goodies donated by our wonderful community. The children really love buying and checking their raffle tickets each week.

Easter then crept up on us really quickly, with our Easter raffle and our Family Breakfast rounding out the end of the term with another lovely chance to talk to everyone.

All school students are welcome to create items as well, please get in touch with me at mprps.pf@gmail.com if you want more information.
