RESERVOIR HIGH YEAR 10 SEAL PROGRAM RESOURCE LIST 2022

ESSENTIAL STUDENT LEARNING ITEMS

Whilst the Government provides schools with resources, the expectation is that parents will provide their students with textbooks, individual student requisites and school uniform. Parents are also expected to pay for items such as excursions and curriculum materials. "Essential Student Learning Items and Curriculum Requirements" are those used in the course of instruction in curriculum programs both classroom & specialist. These items include extra student stationery, textbooks, readers, class sets, consumable materials & equipment for learning and teaching.

The Essential Educational Contribution for Year 10 is \$220.00 per student. This is to be paid directly to the school.

Listed below are the minimum requirements that students are expected to purchase for the school year.
