Meet your TEACHER

Hola! My name is Diego, and I am going to be your teacher in 2025. I'm so excited to get to know each of you and to share an amazing year of learning together. Here's a bit about myself!

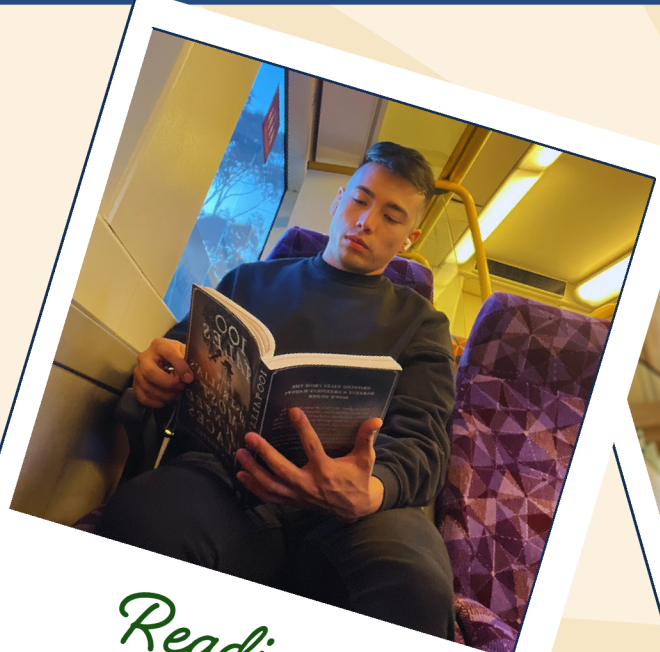

ABOUT ME

I was born in the magical lands of Colombia in South America. I have been living in Australia for several years. I've been teaching since 2017. I absolutely love helping students grow and discover new things. I can speak Spanish, English and French.

I'm a big fan of extreme sports! I've tried paragliding, rafting, cave exploring, and even zip-lining across a mountain. I also once braved an extreme slide—it was fantastic!

I can't wait to hear your stories! See you next year.
