Around the Grounds

6A

The boys played an exciting and tough brand of footy against Padua. Our relentless pressure and tackling kept us within reach. Two goals in the last quarter from Finn B brought us within a kick but eventually Padua held on by 2 points. Great effort boys.

6B

It was a tough day for the 6Bs however the boys battled until the very end with the ball in our forward half for much of the last quarter. The boys were unable to capitalise with a goal on this last quarter momentum however snuck home a behind at the very end to get off 0.

6C

A trying effort by the 6Cs who unfortunately went down to a strong Padua, 80-37. Although the score did not favour MCA, the team competed strongly for all four quarters and persevered till the final siren. Great team effort with massive improvements from last week, it is exciting to see where the boys will be heading as the season continues.

5A

A fast start from Padua had us on the back foot for the remainder of the game. The boys showed a lot of grit in the second half to outscore the opposition, but unfortunately, it wasn't enough to get over the line.

5B

Huge effort from the boys with a last-minute goal enough to drag us over the line. Cracking contest. Effort, tackling and pressure were elite from the Marist boys.

5C

Despite size differences boys tackled hard all game and were much better at manning up their opponents this week.

5D

Boys did great today and were high in spirits despite being down a player for some of the game! They came into the game strong with a couple of early goals and worked well together - incorporating skills they've practised at training.
