

Global Porch Placemaking Week at Manningham

27 September to 3 October

For a chance to win a special hamper, get creative and 'activate' your porches, balconies, gardens or driveways with a safe (and socially distanced) project that connects the community.

Three simple steps:

1. Create a project and turn your 'space' into a 'place'
2. Add your project onto an interactive global map at porchmaking.com
3. Share your project on Facebook or Instagram using **#porchplacemaking** or **#activatemanningham** and tagging Manningham Council
