## Use this form to claim the WA Student Assistance Payment for eligible students in your care.

All Western Australian school students in Kindergarten to Year 12, with a valid WA student number, are eligible for the cost-of-living payment. You can claim \$150 for each primary school student and \$250 for each secondary student.

### TO COMPLETE THIS FORM, YOU WILL NEED:

1. The WA student number (WASN) for each student.  
This 8-digit number is sometimes called a SCSA or student number. This number can be found on school reports, including previous NAPLAN results. It may also be on a secondary student's SmartRider.
2. The name at time of enrolment, date of birth, school name and year level of each student you are claiming for.
3. Proof of identity for the claimant based on a 100-point identity check.
4. The bank account details where the payment will be deposited.

## PAYMENTS

Amounts are stated and paid in Australian dollars to an Australian bank account.

You authorise the WA Government (or the entity making the payment) to pay the amount by electronic fund transfer into the bank account nominated by you in your claim.

Payment is made when the WA Government (or the entity making the payment) has instructed its bank to credit your nominated bank account.

The WA Government is not liable for any delays in payment.

You are solely responsible for ensuring that your nominated bank account details are correct. The WA Government is under no obligation to check those details, or remedy any mistakes in them.

If the payment is incorrectly paid to your nominated bank account, you must repay the amount to the WA Government.
