

KELLY CLUB AITKEN NEWSLETTER TERM 3

Welcome back to Term 3 everyone!

Before we get into Term 3, we would like to reflect on the school holidays.

Our holiday program was jam packed full of fun and games. The children were kept very busy by doing arts and crafts, science, games and sport.

Some of our highlights throughout the holidays was going to Funtopia, bowling and Tiny Chef. The children also got to make their own animal hats, learn hip hop, and have some yummy chocolate for our World Chocolate Day.

We also welcomed back some of the children who attend from other schools and some new children these holidays. It was great seeing them fit in and make some new friends.

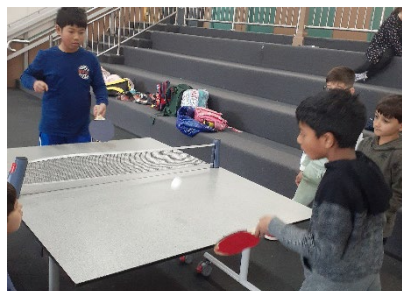

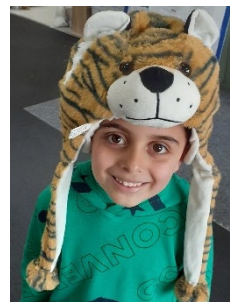

This Term we have started things off with Sports week, the children have been engaged in many different types of sports and crafts. The children of Kelly Club are very sporty, so this week has been great getting them involved and energized just in time for Term 3.

We will also be having the Grade 3s pick the activities for the week, they have been very eager to get involved and pick their favourite activities.

Important Notice-

Get 40% off selected New Balance products, just for booking and attending Kelly Club across Term 3 2023.

Also, more families now qualify for child care subsidies!
