## WHAT'S BEEN HAPPENING

The last two weeks have seen TeamKids PMPS undergo an exciting transformation, with an entirely new look and feel that we are just buzzing about! The children are thrilled and we could not be happier, so come by and check out the new set up next time you're around!

Last week, the children were busy preparing for Mother's Day, making the most beautiful, heart-felt cards, bracelets, and bouquets, as well as a heart-shaped ornament, literally made from felt, pun intended, and adorned with sweet messages and flowers. We also carried the Mother's Day theme through to our weekly Lego Masters challenge, with the children building a picnic scene, depicting their Mum and family.

At Cooking Club this week, the children made jam tarts from scratch, using gluten-free flour and their choice of strawberry or apricot jam, which went down a treat! It's been a delight to see how fond the children are of cooking and how well they've taken to the kitchen and making new recipes together each week.

We'd like to take this time to remind families of PMPS' upcoming Pupil Free Day on Friday 6<sup>th</sup> of June, with bookings for TeamKids Vacation Care opening soon.
