

Gift Expression of Interest

2020 and has been a difficult year for communities across Victoria due to the Coronavirus Pandemic. As the festive season approaches we hope to support families by bringing a bit of joy to those most in need. Southern Anglicare have a small amount of donated presents, such as children's games and toys that we want to coordinate giving to children who may otherwise go without this Christmas.

If you have been impacted in any way by COVID19 and would like to access a gift for your child please complete the below and email this to community.support@anglicarevic.org.au by Friday 11th December 2020.

Once we receive your expression of interest we will review and be in touch to organise a drop off to your school no later than Friday 18th December 2020.
