

Cheltenham East Team Kids NEWSLETTER

WHAT'S BEEN HAPPENING

Dear families,

We hope this newsletter finds you well. Here at Team Kids, we've been busy bees ourselves, engaging your children in enriching activities that foster creativity, environmental awareness, and community service.

Creative Crafting with Nature: Our little artists have been exploring the wonders of nature through crafting. Utilizing natural resources like leaves, bark, and twigs, they've unleashed their imaginations to create beautiful, one-of-a-kind masterpieces. Their creations never cease to amaze us!

Inspiring Paintings: The children have also been dabbling in the world of painting, unleashing their inner Picassos on painting paper. Their impressive paintings showcase a myriad of colours, shapes, and emotions, proving that creativity knows no bounds.

Cleaning Bees to Clean Up Service: In the spirit of community and environmental stewardship, our little helpers participated in a "Cleaning Bee" to spruce up the playground. Armed with gloves, they eagerly picked up rubbish and tidied up the area, demonstrating their commitment to keeping our environment clean and green.

Discussion on Environmental Conservation: We believe in educating the next generation about the importance of protecting our planet and its precious inhabitants. To that end, we hosted a group discussion on how to safeguard endangered animals and preserve the environment. The children shared their thoughts, ideas, and solutions, inspiring hope for a brighter, more sustainable future.

Thank you again for entrusting us with the care and education of your children. Please reach out to Team Kids team if you have any questions.

Warm regards,

Eric

Director of Team Kid Before and After School Care
