

Mt Derrimut Road, July 2023

Works notification

Upcoming works and disruptions in July and August

We've removed the level crossing at Mt Derrimut Road by elevating the rail line to reduce congestion, and we've opened the new Station, creating a safer, better-connected Deer Park.

In July and August, there will be changes to the way you travel while we continue works at Deer Park Station and on nearby roads. From July, we'll continue:

- building the new Deer Park Station, pedestrian forecourts, southern station car park and bus interchange
- landscaping works in and around the new station precinct
- roadworks on Station, Mt Derrimut and Tilburn roads

Deer Park Station works and access changes

Temporary access arrangements are in place while we complete works at Deer Park Station. Passengers who are currently unable to access the platforms can use an accessible shuttle service to connect to nearby stations from the temporary commuter car park on Station Road. Visit vline.com.au for information about shuttle buses, access arrangements and station facilities.

Upcoming night works

We'll work overnight at the new station and on Station, Tilburn and Mt Derrimut roads:

- Monday 17 to Thursday 20 July; Monday 24 to Thursday 27 July; Monday 31 July
- Tuesday 1 to Friday 4 August; Monday 7 to Friday 11 August; Monday 14 to Sunday 20 August; Wednesday 30 August

And in the rail corridor while trains aren't running:

- each night Wednesday 2 August; Saturday 5 to Monday 7 August; Wednesday 16 August
- around the clock from the night of Friday 18 August to the morning of Monday 21 August.

There may be other times in July and August where we will need to work at night to complete critical works. Impacted residents will be notified in advance. We'll make every effort to complete works on schedule, however dates are weather dependent and subject to change.

What to expect

You may notice truck movements, noise, dust and vibration during these works. When we work at night, additional lighting will be in place and will be directed away from residential properties where possible.

Changes to the way you travel

Pedestrian detours, lane closures and parking changes will be in place at times on Mt Derrimut Road, Station Road, Tilburn Road, Railway Parade/South and Eagle Way. Please follow the signage and traffic management in place. Please check the maps on the final page for more information about the following travel changes.
