

A Snapshot of *Learning in Prep*

Last week was an exciting time for the students in Prep as their learning space was transformed and they came to school in camping clothes. The students participated in various cooking and craft activities throughout the day. The annual Prep Camp Day was enjoyed by both students and teachers.

Learning Leader

A Snapshot of *Learning in Prep*

The highlights of the day were sitting around the pretend campfire, having fun in tents with friends and the scavenger hunt outside! Thank you to Emily Stewart, Brynell Francis & Sharon Sanna for organising a fun day of learning!
