The Magic

Wallpaper

If was an ordinary
Thursday morning around
6:00 and I was still
asleep. My dog Hudson
was dozing and
rolling back and forth.
Hudson is a Huskey
puppy and he
likes playing ball and
chaceing cats.

S

I rolled to wards
my wall paper
I got 2 days
ago and the next
thing I knew... I
was in my wall-
paper! Finally I
awoke there was
a toucan on my foot.
Screamed loud ly
suddenly I wonderd

now a toucan got
into my lovely secure
bedroom, looked around
and saw that WAS
MY WALL PAPER
I started to
panic and I ran around
and around in circles
"Hey! Do-nt freak out
im just a toucan I
will not bite... unless
im rilly hungry."

"did you...ddd!"

DID YOU JUST SPEAK

I spat out, my head

was spinning. I

looked around and I

see vines that

dangle and swing,

trees as tall as

mountains, daisies

that sway and

dance.

There was no

denying it I was

in a jungle!

I take a few breaths

to calm down. Then I

sell something soft

rubbing against my

hip, first I thought it

is head so on but I think

its to big. Then I look

to my right, I fell

over with amazement.

"Hello Im Jerry the
leopard and this is
Troy the fovean

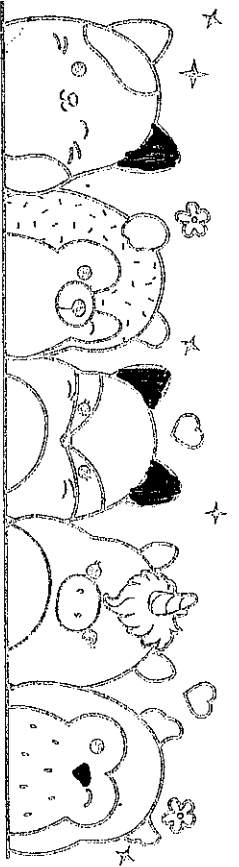

what is your name?"

"Im Rosey"

"Well Rosey, what brings
you to our jungle?"

"I honestly have
no idea!"

Rosey now we are
going to get you
home?

"I have an idea"

Squar head Troy
Maybey we can

clangle from the

vines and swing back
and forth can till you

let go and blast

through that's a

good plan, lets try

that. I'll push you

Said Troy and I'll

catch you if you
fall backwards.

"yeah!" said Posey
I climb up the
tree then I

swing and I splat
on the wall. I limp
to the others. I say
"ok lets try this
again" I try it.

Again the same
thing happens.

Swing and... splat.

I give my friends
a billing bee "ok

this is it I swing
back and... best

through the wallpaper
Huntson jumps.

and hits me. As I

get my breakfast
even when a grumpy
ll never forget today.
