What's been happening at Mount View TheirCare

Incursion Fun

The children enjoyed the 'Welcome to the Jungle' school holiday program, we got to explore many incursions including mindful moments where the children got to take home their own mindfulness colouring book. The children also had the team from FitKids join us to teach the children the basics of archery. Another highlight from our incursions included Hut building, the children became strong in their social wellbeing working together and sharing ideas to see who would build the best hut. Our final incursion was out Green Thumbs day, the children got to use their creativity and imagination to decorate their own Grass Head plant.

Ready to join in?

To use our program, you will need to ENROL at

www.theircare.com.au

It is simple, fast and there are no enrolment fees! That means even if you are not planning on using the servicer but find that you are running late, you have that peace of mind that your children are safe, fed and enjoying themselves with their friends under the supervision of qualified professionals.

Excursion Fun

The children got to enjoy some popcorn and water at the local cinemas watching Tom and Jerry reunite and explore a brand new adventure in the big city on a mission to save their friends. There were lots of laughs throughout the movie and during the bus ride. The children love excursions outside of the school and exploring new environments. On the final day of holiday program, the children got to visit the Eastern Indoor Sports centre to have some nerf gun battles and race down the giant slides. The adventure playground was the highlight for most children.
