

Care & Share Program

The Care & Share Program is in need of more volunteers!

The program is stretched to our limits and we singing out for help! The Care & Share Program now has three families needing a helping hand with cooking a nightly dinner for them. If you would like to help out, but just never got around to putting your name down on the volunteers list ... please consider it now!

You would be called upon once a term to provide a cooked night time dinner for a family of four that can be reheated ready for them to eat. The meals can be dropped off any time before 4.30pm on the day you are rostered on.

These meals do not need to be Masterchef quality ... just whatever you are feeding your own family!

This job might sound very small to you, but for the families in need of a helping hand, providing dinner to them is very appreciated and helpful.
If you feel you can help out, please fill out this form and hand it to the office ASAP or come and see me personally and I can add you to my list of volunteer 'Food Angels'.

Thanks so much
Amanda Daemen
