# OURSCHOOL INDUSTRY INSIGHTS KPMG EXCURSION

7th Aug

12 Students

---

12 students, specially selected for attitude in class, attended an Industry Insights session at KPMG run by Ourschool.

In the session they were given a tour of the facilities, learned about pathways into KPMG and heard from KPMG staff who attended public high schools and were the first in their family to go to university.

**“I would like to thank you for taking me on this amazing excursion, I learnt so much from all the KPMG staff and how their stories from growing up was similar to ours and a quote I found that thought provoking was "always have an open mindset and if one door closes another one opens" – Mohammad Yr. 10**

**“It was a great opportunity to learn, to explore your options and to see what you can achieve in a large company. Talking to the KPMG employees was really enjoyable.” – Farzana, Yr. 11**

**“For me it was a really interesting experience, learning how one of the big four firms operate and manage on a daily basis, talking to highly skilled and experience group of people from the KPMG made me learn lots.” – Rezai, Yr. 10**
