## EXPRESSION OF INTEREST JAPAN TRIP, NOVEMBER-DECEMBER 2023

Dear parents of Year 8 and 9 students studying Japanese as well as all Year 10 and 11 students.

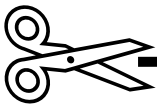

We are currently waiting to learn whether Shibuya Junior High School, who visited us earlier in the year, can host interested Nazareth College students for a week from Monday 20 November 2023. This trip would then be extended into a second week where students from Nazareth College would travel around Japan to experience some of the cultural and historical sites.

If you are interested in your child attending the Japan Study/Cultural trip in 2023 then we would like you to complete the 'expression of interest' slip at the bottom of this page. Could all slips be sent to student services no later than Thursday 22 June 2023. If there is enough interest, we will arrange an Information Session regarding itinerary, price, expectations and timelines leading up to the day of travel. If you have any questions regarding the expression of interest, you can contact me by email at [john.powell@nazareth.vic.edu.au](mailto:john.powell@nazareth.vic.edu.au)

Yours sincerely
