

23 April 2019

Dear Parents & Families

We need your HELP!

As part of our Term 2 Design and Technology unit, we will be looking at puppets. Students will be planning, designing and creating their own puppets.

Do you have things at home that we could use to make our puppets? We are looking for things like feathers, foam balls, scraps of fabric, wool, string, unused paddlepop sticks, plastic caps, googly eyes, small boxes etc. Unfortunately we cannot accept toilet rolls but we can use the rolls from wrapping paper and glad wrap/foil.

Please send anything you think we may be able to use to school with your child. We will be starting to design our puppets in Week 4 – 13th May.

Thank you so much for all your help,
Junior School Teachers and Students
