23 March 2026

Dear Parents/Carers and Senior Students,

As Year 12 students near the completion of their formal schooling and Year 11 students begin their journey towards the HSC, important decisions about post-school pathways will need to be made.

To support students in making these choices, the College will host a Careers Information Evening on Tuesday, 5 May 2026, from 7:00 PM to 8:30 PM. Attendance is compulsory for all Year 11 and 12 students. Please note that this event is designed specifically for students, and parents are not required to attend. Old Boys from a variety of occupations will be present to share their experiences.

The evening will feature three 30-minute sessions starting at 7:00 PM. Old Boys of St Patrick's College will provide students with an insight into their career, including information relating to the work performed, educational requirements, career prospects and pathways, as well as their own practical experience and journey. Students will rotate between classrooms to attend different presentations of their choice.

We greatly appreciate the time and effort given by our Old Boys, whose contributions play an important role in helping students make informed decisions about their futures.

If required, parents should ensure students with medical conditions bring their Epi Pen, Ventolin or similar from home and carry it with them on this in School activity. If this is not appropriate or if staff need to administer medication during this in school activity, please contact the Teacher in Charge to make relevant arrangements.

Please acknowledge consent for your son to attend this event via Parent Lounge, while also verifying his medicals prior to Tuesday 31 March 2026.

All relevant College rules, procedures and expectations will apply during this excursion. In addition, parents will confirm the following requirements with students:

1. Ensure the directions of the venue staff are always followed.
2. Students must be punctual and participate in all planned activities.
3. Students who have any concerns for their safety or wellbeing should report their concerns to a supervising teacher immediately.
4. If a student is to take a mobile phone on the activity, it must remain switched off.

Yours sincerely,

Joanne Cupac
Head of Careers
