School - Parent Teacher Interviews

When Parent Teacher Interview are made available, from this screen you will be able to make bookings by clicking the drop list next to each of your child's teachers and pick a suitable and available time. Once complete, the confirmed bookings will appear at the top of the screen. As with most screens, there is an option to print this off, using the print icon at the top right hand side of the screen. Please note, only the Parent/Family account is able to make bookings. The child does not have access to this function when logged in as themselves.
