Adding a Note or Approval

If your child has any unapproved absences or late arrivals, you will receive an alert on your Compass home page letting you know this, and allowing you to add a Note or Approval.

Attendance: Attendance Note/Approval Required

Ron was recorded as 'not present' or 'late' without explanation.
Click here for more information

Clicking on this notification will take you to the Unexplained tab for that child's attendance, where you can choose to add a Note or Approval for one or more absences. To add a note or approval, select one or more of the absences listed, then select the 'Explain with Note/Approval' button.

Please note that you cannot edit your notes or approvals after they've been created. If you do need to make any amendments please contact your school, as they can do this for you.

Adding a Note/Approval for a Future Absence

You can also enter notes and approvals in advance, if you know that your child is going to be absent from school (e.g. scheduled family holiday).

To do this from your homepage, click on the 'Add Attendance Note/Approval' link listed underneath the name of the relevant student.

This will take you to the Attendance screen, with a pop-up window to enter details of the note or approval. Here you can select the applicable date range - in the future if required.

Adding a Note/Approval via a One Time Link

If your school is using One Time Attendance Notes via their SMS notifications, there will be a link included in the SMS which you can click on.

Clicking on the link will take you directly to Compass to add a note/approval for the unexplained absence.

Please note, the default expiry of these links is 48 hours, once the link has expired you will have to add a note/approval by logging into Compass.

Emailing Staff

Within Compass, if your school has the function activated, you can email the teachers of your children at the school, as well as any other staff members. From your Compass homepage one of the links underneath your child's name will be an option to email their teachers.

Clicking this link will open the email pop-up window, with all of the teachers for the student listed as recipients. You can select the red cross next to each recipient to remove them from the email, or click the 'Add Recipients' button at the top to add any other staff members.
