## HOW TO MAKE PLAYDOUGH

Our Knights Small World Play

## Playdough ingredients:

2 cups all-purpose flour

1 cup salt

4 tablespoons cream of tartar

2 cups lukewarm water

2 Tablespoons of vegetable oil (coconut/baby oil works too)

Food colouring, optional

Small plastic bags or pots for colour mixing

Stir together the flour, salt and cream of tartar in a large bowl. Next add the water and oil. If you're only making one colour, add in the the colour now as well, stirring constantly. Continue stirring until the dough has thickened and begins to form into a ball, then knead until smooth. If you're adding colours after, divide the dough into balls (for how many colours you want) and then add the dough into the plastic bags. Start with about 5 drops of colour and add more to brighten it. Knead the dough, while inside the bag so it doesn't stain your hands. Once it's all mixed together you're ready to PLAY
