

## CAREER NEWS

Friday 21 August

### Dates to Diarise in Term 3

- Year 12 VTAC timely applications – throughout August and September
- VTAC SEAS and Scholarship applications open August and September

### Studying Architecture at Swinburne

*From crafting areas that promote wellbeing, to engineering bridges and designing interiors for the future – choose a course in Built Environment and Architecture at Swinburne, and you'll learn how to apply innovation in spaces far and wide.*

Swinburne offers a range of architecture-related courses. Two such courses are –

The [Bachelor of Design \(Architecture\)](#) focuses on building design, and students get to *tackle digital technology, environmental awareness, construction, practice, ethics, history and theory* as they gain skills for the future of architecture.

The [Bachelor of Architectural Engineering](#) allows students to not only design the aesthetics of buildings, but also learn foundational engineering disciplines too.

### Upcoming Webinars

Federation University is hosting two interesting webinars in the next couple of weeks:

**Bachelor of Biotechnology** – Wednesday 19 August, 5.00pm – 5.30pm. Register [here](#)

**Bachelor of Geoscience** – Wednesday 26 August, 5.00pm – 5.30pm. Register [here](#)

Students unable to participate in the webinars, may wish to browse [Bachelor of Biotechnology](#) and [Bachelor of Geoscience](#)

➤ **Medicine Courses**

Year 12 students applying for any of the undergraduate **medicine courses** are reminded that the closing date for VTAC applications is 30 September 2020. No late applications will be accepted. Students are also reminded that they should not remove a medicine preference from their VTAC preference list unless they no longer wish to apply for that course. Once removed, they cannot be added back in; they can, however, be moved up and down the preference list using the arrows.

➤ **Music Degree at Monash**

Year 12 students planning to apply for the Bachelor of Music or the Bachelor Music are reminded that applicants must complete the online Music performance audition/composition submission form available at [Monash Music Audition Information](#), and pay the audition/composition fee of \$70 AUD (inc. GST) by 30 September 2020.

**Students are to take note that all auditions for 2021 entry will be held online.**

Students considering applying for Music at Monash should visit [Preparing for your Audition](#) and familiarise themselves with the particular audition requirements for the four streams: *classical, jazz, popular music, and composition and music technology*.

**Find out more about the Bachelor of Music [here](#)**

➤ **Science Advanced - Global Challenges (Honours)**

*The **Bachelor of Science Advanced – Global Challenges (Honours)** includes all the elements of a Bachelor of Science, but with more. If you love science, and you are curious, adventurous, creative, and prepared to challenge the status quo, then this course is for you.*

In addition to studying the scientific discipline of their choice, students will also receive high-level training *in leadership, persuasive communication, entrepreneurship, policy, ethics, and corporate social responsibility*.

To be eligible for consideration, students need to attain an estimate ATAR of 90.90 and meet the pre-requisite Units 3 and 4: a study score of at least 35 in English (EAL) or at least 30 in English other than EAL; Units 3 and 4: a study score of at least 30 in one of Biology, Chemistry, Environmental Science, Geography, Maths: Mathematical Methods, Maths: Specialist Mathematics, Physics or Psychology. Students may also be required to submit an online Supplementary Information form through VTAC by 16 November 2020.

As already mentioned, applicants must make a written submission and, if shortlisted, will be invited to an interview. Students can refer to the [Global Challenges website](#) for more information on the supplementary form questions, as well as the interview dates, which will soon be published.

**To find out more, visit [Science Advanced - Global Challenges \(Honours\)](#)**

**Monash Information Evening:**

- 25<sup>th</sup> August

**Inside Monash — Introduction to Law:**

- 27<sup>th</sup> August

**Open Day:**

- 29<sup>th</sup> – 31<sup>st</sup> August

**Monash Information Evening:**

- 9<sup>th</sup> September

➤ **Fashion Programs at RMIT**

RMIT offers a range of Bachelor programs in Fashion including:

- [Bachelor of Fashion \(Design\)](#)
- [Bachelor of Fashion \(Enterprise\)](#)
- [Bachelor of Fashion and Textiles \(Sustainable Innovation\)](#)
- [Bachelor of Textiles \(Design\)](#)

Also, on completion of any of the abovementioned courses, students may choose to enrol in the one-year [Bachelor of Fashion \(Design\) \(Honours\)](#).

➤ **Bachelor of Business (Blockchain Enabled Business)**

*The adoption of digital interaction and new ways of doing business has massively and rapidly increased since early 2020. The rollout of the digital economy is now a worldwide economic imperative, and people who can work and lead in the global digital economy will have secure career opportunities.* Blockchain is a transformative technology at the centre of the new digital economy, with wide-ranging applications across all aspects of commerce, government, and social enterprises. It is fundamentally reshaping the industrial, employment and social landscape that future graduates will live and work in.

The new [Bachelor of Business \(Blockchain Enabled Business\)](#) has been designed to equip students with the knowledge and skills to work at the frontier of the emerging new digital economy. This is a world first, truly multi-disciplinary applied degree that will prepare graduates to work in a globalised, international context in a range of in-demand roles and sectors. Besides gaining skills in *accounting, marketing, management, statistics, and business IT*, students will also get to learn about *blockchain and the economy, cryptofinance and fintech, building and using smart contracts, blockchain for trade, and the legal, ethical and regulatory aspects* of these new technologies.

➤ **Discover What's Next Webinar Series 2.0**

Our webinars are back to prepare students and parents with information covering a wide range of topics during the VTAC Timely Application period. Key topics include Game Design, preparing to complete application Selection Tasks, Architecture, Photography and Fashion, and RMIT's new Law course. [Explore events](#)

➤ **Guaranteed ATARs for 2021**

The university has taken into consideration the challengers and disruptions to Year 12 students this year, so 2021 admissions will look a little different at the University of Melbourne. All applicants who meet the course prerequisites and guaranteed ATAR for their preferred course will achieve a place at the University when they receive their ATAR on 30 December 2020. The new guaranteed ATARs aim to provide students with comfort and assurance during the holiday period, allowing them to prepare for life and study at the University of Melbourne in 2021.

***To be eligible for guaranteed entry, applicants must also meet the following requirements:***

- All course prerequisites and achieve the ATAR (or notional ATAR) outlined in the table below
- Apply to their preferred undergraduate course at the University via VTAC

UNDERGRADUATE DEGREE	2021 MINIMUM ATAR	2021 GUARANTEED ATAR
Bachelor of Agriculture	70.00	72.00
Bachelor of Arts	85.00	88.00
