

St Pius X Football Supporters Club

FFA Referee Training

Congratulations to Zach Rapa and Christopher Harris, for completing the online FFA Referee Training Course.

Upon successful completion of their course, they both received their certificates. Last week, Mr Paul Cummins presented both students with a World Cup football, drink bottle and referee whistle, which was purchased by the SPX Football Supporters Club, in recognition of their achievement.

Well done to both of these Football students for challenging themselves, acquiring a new skill and being available to support younger members of our SPX Football community.

Want to be more involved in the Pius Football community? ... come along to the Football Annual General Meeting (AGM)

The SPX Football Supporters Club AGM will be held at the school on the evening of 1 May. Further details will be in Woodchatta.

Come along to hear from the Senior Sports Master and Convenors about all that will be happening in the 2023 football program. Club will also speak about upcoming club initiatives. It will be a great opportunity for our community to come together with SPX staff and talk about the upcoming season.

Football Old Boys

SPX Football has a strong Old Boys community. We see our Football boys working together and supporting each other during their games each week. Many of our football Old Boys maintain these friendships and some continue to play football on the OLD Boys' Football Team. This year, the team is being coached by Steve Quilty (ex- SPX 1st X1 Coach, for 25 years).

Last weekend's Old Boys Team had players who graduated from SPX from 1995 – 2022.

They had a great morning of football on their old stomping ground, Oxford Falls. They played our very own SPX 1st XI team. It is wonderful to see our Football Old Boys coming back and sharing the field with our current SPX boys.

Be a Football Supporters' Club Year Manager:

- Be a representative from your year group to support Pius Football
- Contribute to planning and organising club events
- Be a key part of our wonderful SPX Football Supporters Community
- Help to engage your Club with our thriving SPX Football Community

If this sounds like you, email us at club on footballclub@pandf.spx.nsw.edu.au

Receiving correspondence from SPX Football Supporters' Club

During the week SPX Football Supporters' Club sent an email notification about the upcoming SPX Holiday Camp, to all email addresses that were on the P & F's Opt-in Parent Information Form. If anyone would like to also receive emails from SPX Football Supporters Club, please do the following:

- Email club directly, on footballclub@pandf.spx.nsw.edu.au with your son's name, year and football team, as well as your name and email address and phone number.
- Update your details on the P & F Opt-in Parent Information Form https://spxchatswood.formstack.com/forms/2023_st_pius_x_college_parent_information . Please ensure your email address is entered correctly.

Mrs Lorna Hammond - SPX Football Supporters' Club President
