Email: cranbourne.south.ps@edumail.vic.gov.au Website: http://www.cranbournesouth.vic.edu.au/

Dear Parents/Caregivers,

At CSPS we believe that clear and timely reporting of your child's achievements and progress at school is important. Feedback from families during Remote Learning indicated that parents and carers wanted information about what the students were achieving and what the next steps (learning goals) were.

With this belief in mind, we have made the decision to move to ongoing online reporting via Compass. The goal is to effectively gather, analyse and reflect on evidence to make informed and consistent decisions to improve your child's learning experience.

Ongoing Reporting is a report that builds throughout the year and provides students and parents with ongoing assessment of how a student is progressing.

- Greater accountability of students' work habits
- Timely feedback the progress report is issued when the task is completed and assessed, enabling the teacher and the parent to identify, intervene and improve
- No "surprise" negative results coming home at the end of a semester. If there is a problem, parents are notified when it arises
- Access online anywhere, anytime via a secure web-based program.

Students across all year levels have completed Learning Tasks which provide a snapshot of achievement in the key areas of Mathematics, Reading and Writing. These learning tasks will be released regularly throughout the year and will be accompanied by comments, goals and/or a RUBRIC showing student achievement. This will mean that semester reports will look a little different. Semester reports will include Specialist, Guided Inquiry and General comments and progression marked against the Victorian Curriculum achievement standards.

You will notice that each Learning Task has a different type of assessment provided. The Mathematics – Place Value task has a RUBRIC and a learning goal attached. The writing task has a comment and learning goal attached.

Please find below the instructions for accessing Semester 1, 2021 Learning Tasks for the areas of English and Mathematics and Semester 1 reports.

If you have any questions about the Learning Tasks or Semester Reports please contact your classroom teacher or myself via email. Email addresses can be found on the school website.

Yours sincerely,

KAREN HALKET Acting Assistant Principal

How To View your child's Learning Tasks

The CSPS Learning Tasks provide assessment and feedback on work being completed in class. To view your child's tasks, click the 'Profile' option for that child on your dashboard. This will take you to their profile page.

Click to their 'Learning Tasks' tab. Here you will see their tasks listed.
