## What's been happening...

### We made it...

Hello to our families and children!

These past 2 weeks we have had some great fun! We have continued with our Friday Funday In our Stay and Play sessions, we had a science day where we made exploding cold bags, elephant toothpaste and Coke and mentos experiment.

In our Rise then Shine sessions we have been exploring our Snack Squad menu and Incorporated some new recipes for smoothies, toasties and some yummy healthy muffins. The Term is wrapping up very well for us and we are glad to see how well our preps have adapted to OSHclub with the help of our Prep leaders. We are super proud of all the children that attended the program and all the unique and fantastic ideas that they bring.

We would also like to remind you that the Holiday Program Is fast upon us and we are expecting some high numbers, please make sure you book as quick as you can In order not to miss out and for us to plan for activities.

We are currently reviewing our service philosophy. Please follow the link below and read our current philosophy, feel free to email, text or have a face to face chat with us about what we should add to our new one.
