

Parent guide for the latest hot game: Among Us

Hands up if the game 'Among Us' is suddenly the hot game in your house. If it's not already, keep a look out as it's sweeping across schools like a giant gaming tsunami!

Marty McGauran (teacher and cyber safety educator) from Inform & Empower has done your homework for you and shares a concise parent guide. He gives you insights into what the game is, the various gameplay modes and most importantly how it can be played to minimise risk.
