

# Ballarto Road Upgrade Carrum Downs and Skye

Upcoming works

August 2024

Project update

Artist impression of the upgraded Ballarto Road and Greenwood Drive intersection.

## What we're doing

As part of the Ballarto Road Upgrade project, we're upgrading:

- Ballarto Road between Boggy Creek and Flora Park Way, including the Flinders College entrance and the Greenwood Drive intersection
- Ballarto Road and Potts Road intersection

Major construction at these remaining two sections along Ballarto Road will start in early September 2024 and be completed by mid-2025.

## Upcoming night works and closures in September

In preparation for major works, crews will be working at night to install and relocate road barriers to create a safe working environment.

On **Tuesday 3 September** between 7pm and 6am, Ballarto Road will be closed in both directions between Lyrebird Drive and Greenwood Drive.

On **Wednesday 4 September** between 7pm and 6am, Ballarto Road will be closed in both directions between McGowan Drive and Western Port Highway.

Access will be maintained for all residents and businesses within the road closure. A major detour will be in place via Frankston-Dandenong Road, Hall Road and Western Port Highway.

*Please note, these dates are subject to weather conditions.*

## What's next

Major construction will be split into stages. The table on the next page provides further information about traffic disruptions from **Wednesday 4 September 2024** to the end of 2024.

## Eastbound lane closure – detour map for all vehicles

### Weekdays between 6.30am and 6.30pm

#### Ballarto Road between Boggy Creek and Greenwood Drive

- !** Disruption from **Wednesday 4 September:**
- The eastbound lane on Ballarto Road will be closed between Lyrebird Drive and Greenwood Drive.
  - The westbound lane on Ballarto Road will remain open.

#### **>** Detour

- Traffic travelling east on Ballarto Road will detour via Hall Road.

#### **🚧** Access impacts

- Access will be maintained for Ballarto Road Service Road residents between Lyrebird Drive and Greenwood Drive, emergency services and buses heading east through a permit system.
- Local residents and Flinders Christian Community College traffic travelling east will detour via Lyrebird Drive, Cockatoo Drive and Greenwood Drive.
- To help traffic flow during school pick up and drop off times at Flinders College, traffic management will be in place at the Ballarto Road and Greenwood Drive intersection.

#### Ballarto Road and Potts Road intersection

- !** Disruption from **Thursday 5 September:**
- The eastbound lane on Ballarto Road will be closed between Skye Primary School and to the east of Potts Road.
  - Potts Road will be closed at the Ballarto Road intersection.
  - The westbound lane on Ballarto Road will remain open.

#### **>** Detour

- Traffic travelling east on Ballarto Road will detour via Hall Road or Cranbourne-Frankston Road.
- Traffic travelling on Potts Road will detour via Valley Road and McClelland Drive or Cranbourne-Frankston Road.

#### **🚧** Access impacts

- Access to properties and for emergency services will be maintained. If your access is impacted by the works, we will contact you directly.
- Access to Skye Primary School will be maintained. Drivers can only turn right out of the school carparks.

## Weeknights between 6.30pm and 6.30am, weekends and public holidays

Outside of work hours, temporary traffic lights will be operating on two sections of Ballarto Road between:

- Boggy Creek and west of the Flinders College entry
- Skye Primary School staff carpark and east of Potts Road.

This will allow local traffic to take turns travelling in both directions on Ballarto Road using the one lane. Where possible, drivers are advised to continue detouring via Hall Road or Cranbourne-Frankston Road to minimise travel delays.

## Support local businesses

While we complete these important upgrades in Carrum Downs, it's business as usual for local traders.

Access to all businesses remain open. Shop local during works and support local businesses.

## Traffic disruptions

- 1 Ballarto Road between Lyrebird Drive and the Flinders College entrance:**  
early September 2024 to the end of 2024

- Eastbound lane closed
- Detour route for eastbound traffic
- Detour route for locals and Flinders College traffic
- Westbound lane open

- 2 Ballarto Road and Potts Road intersection:**  
early September 2024 to the end of 2024

- Eastbound lane closed
- Detour route for eastbound traffic
- Westbound lane open
- Potts Road closed at Ballarto Road
- Detour route for local traffic
- Eastbound access only for school traffic and residents

Access maintained for Ballarto Rd Service Rd residents, buses and emergency services.

## Public transport changes

- The bus stop opposite the Pines Flora and Fauna Reserve carpark is closed until mid-2025.
  - Passengers advised to use the bus stop opposite the Carrum Downs Police Station.
- The bus stop opposite Flinders College will be closed from early September until mid-2025.
  - Passengers advised to use the bus stop at the corner of Greenwood Drive to catch route 832 or the temporary bus stop located on Ballarto Road, east of Greenwood Drive to catch route 760
- Please visit the Public Transport Victoria website to stay updated with the latest disruption information.

## Q&As

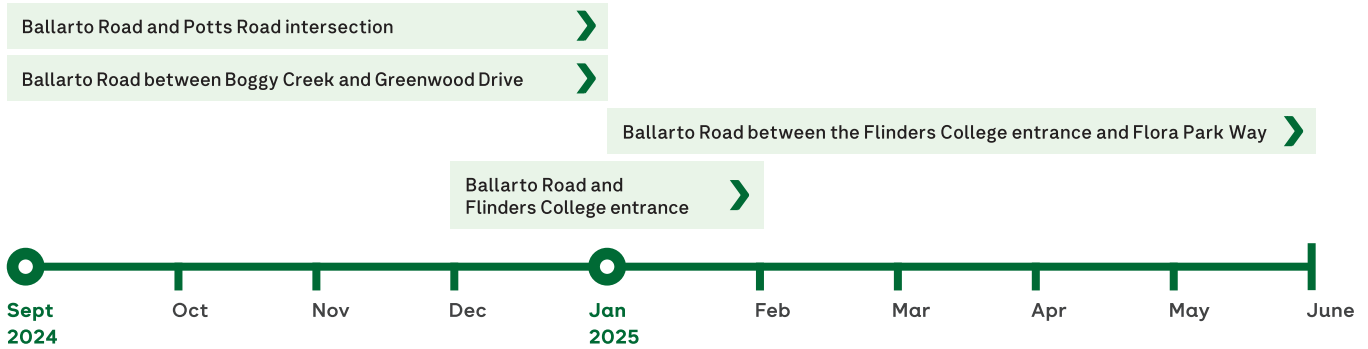

### How will I access the Pines Flora and Fauna Park carpark?

Vehicles will only be able to make a left turn in and a left turn out of the carpark. There will be a period of up to two weeks where the carpark will be closed while we upgrade the access.

### How will I access the Carrum Downs police station?

Access to the Carrum Downs police station will be maintained. During work hours, speak to the traffic controller at the Lyrebird Drive intersection and they will help direct you to the police station.

## Expected project timeline

Our construction program is subject to change. We will keep the community updated as construction is underway.
