

Hair and Makeup Requirements

Dear Families,

Attached are the hair and make-up requirements for our production of Disney Frozen Jr.

Please search for the class or character relevant to your child/children and follow the directions **as closely as possible**.

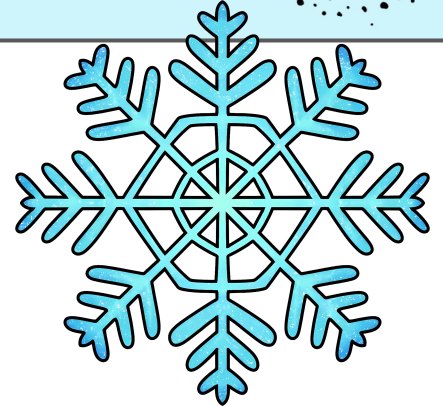

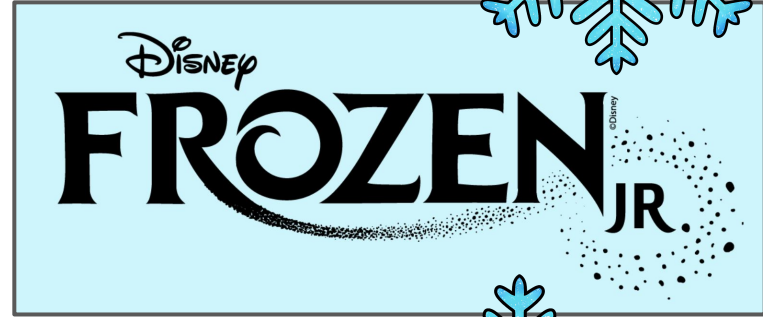

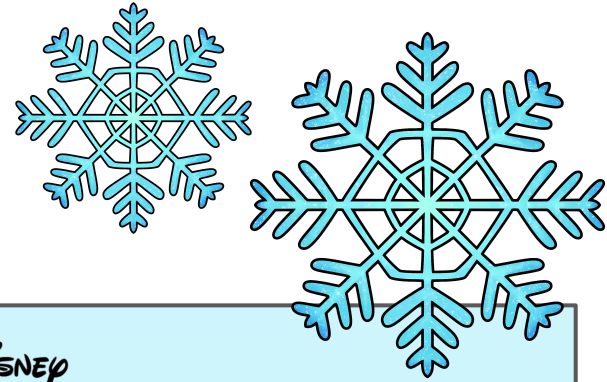

We greatly appreciate your assistance in preparing the children for this exciting experience. Should your child have any skin allergy concerns, please let your child's classroom teacher know.

You may like to pool make-up resources and expertise to have your children stage ready for the night.

If your child is part of the main cast or their character does not appear on the list they will be made up at Genazzano.

Thank you for your support.

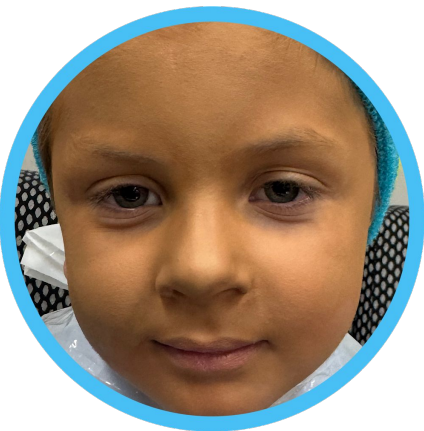

Helen Chirio, Chelsea Bilney & Alison Toomey
