

Every cat deserves a responsible owner, and together with the Onkaparinga Council, we have implemented a free **program to spay and neuter cats** to make being a responsible cat owner even easier.

Since the program first began in June 2020, we have almost hit an amazing milestone of 1,000 cats spayed and neutered, but the work does not stop there: We are aiming for 2,000 cats spayed and neutered by June 2022.

To help reach our goal, we have set ourselves a new target: **from Thursday 9/9 to Tuesday 14/9, we are aiming to spay and neuter a total of 300 cats.**

Booking an appointment is free and open to all residents in the Onkaparinga area.

Help us reach our goal and do your part in reducing the number of homeless and unwanted felines in South Australia.

Book your appointment today. Visit www.rspcasa.org/the-issues/desexing-program/booking/
