

LYNDHURST TEAMKIDS newsletter

what's been happening

Hello everyone at Lyndhurst Primary Teamkids is so excited to be a part of this great school. My name is Arkie and I am the Director of Service at LPS Teamkids, and along with Penny our 2IC and our regular staff we will be here every day to ensure that your child can access quality care for Before & After school and Holiday Care. All you need to do is register on our website at <https://teamkids.com.au/register/> and fill in your details, and then you can book in on the days that you need. Registration is free and saves time if you have to book in unexpectedly.

Our program for the holidays was an awesome time of activities, incursions and a trip to the movies. There were animals, geocaching, water fun days, reptiles and so much more!

Our before and after care sessions may not be *quite* as next level, but will definitely be filled with fun, food, and engaging activities!

Every week we have special Clubs running that the children vote for, so in the next few weeks we will be trying out a lot of clubs to see which ones are the favourites that we will run for the term.

Don't forget our Teddy Bear's Picnic on Thursday 4th February- bring a bear and have some fun! (just the kids, sorry!)

teamkids clubs

monday
lego masters
club

tuesday
epic games
club

wednesday
stem club

thursday
cooking club

friday
art attack!

important dates

wednesday 3rd february
