Get involved in the School Banking program.

St James is excited to offer the Commonwealth Bank School Banking program to all students.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2018 are:

- Twister Power Handball
- Secret Scratch Pad
- Sparkle Glitter Pens
- Glow Light
- Mighty Boom Handball
- Heat Reactor Pencils
- Slushie Maker Cup
- Zoom Flying Disc

School Banking is also a great fundraiser for our school. Our school receives a Regular Savers Contribution of $5 for every 10 deposits processed per student as well as an Annual Contribution which is based on the number of students who made at least one School Banking deposit in the prior year.

Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

1. Online
Visit **commbank.com.au/schoolbanking** and click on the link to open a Youthsaver account.

2. In branch
Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

School Banking day is THURSDAY.

Each week, on Thursday, you need to bring in your yellow bank books in and put them in the grey banking bag in each classroom. Once banking is processed, the banking bag will be sent back to the class for bank books to be returned to students.
