## A message from Elizabeth, your Coordinator

In the past month at Camp Australia OSHC in Sacred Heart Primary School, the children have participated in a wide array of activities (arts and craft, playing/making board games, physical exercise, science inquiry and more). Below are some examples of what the children have made while they have been in service. In CA OSHC it is my top priority to ensure the safety of all children and to provide children with a fun and engaging educational program which caters for each child's needs and requirements.

## Upcoming themes in OSHC

- **Health and wellness - 12th March 2024**
