

Kid's Town Easter Activities

There are several different volunteer roles available, outlined in the table below. These roles could be filled by the same or different people each day, or alternate between two groups of people over the four days. That is up to the availability and interest of students.

Volunteers over the age of 18 will require a Volunteer Working with Children's Check. Plus there are some volunteer registration forms that need to be completed by all volunteers prior to the day.

We appreciate any students who may be interested in being involved in this exciting event. Volunteers will be provided with lunch, cold drinks or tea/coffee, a hat and volunteer t-shirt and Easter eggs.

Registration / Induction time 9:30am
Shifts all finish at 2:30pm
