

BNWPS Bucket Filling

**AUTHENTICITY – RESPECT – CONNECTION
– CREATIVITY**

**To respect and take care of our
school grounds we ask all
classes to ...**

**Help
Care for
Country.**

**1. Fill a bucket
with rubbish
(plastic bucket,
recycled
container etc).**

**Do this regularly,
when it best fits in
with your classes'
schedule.**

**2. Divide rubbish into
the correct classroom
bins:**

Blue = Paper Recycling

Yellow = Mixed Recycling

White = Soft Plastic

Red = Landfill

**Let's keep our oval, woodlands, playground,
STELA, entrance gates, basketball court &
undercover area free from waste.**
