Saturday 1 November

9am - 1pm

EXPLORE THE OPPORTUNITIES. CONNECT WITH THE INDUSTRY. POWER YOUR FUTURE.

Join us for the WA Electrical Industry Open Day – your chance to discover everything the electrical industry in WA has to offer, all in one place.

Industry Tradeshow

Meet experts from Electrical Group Training (EGT), College of Electrical Training (CET), Equip-Safe, ECA WA, and your local suppliers showcasing their latest products, services and career opportunities.

Information Sessions

Hear from industry experts on topics including:

- How to start your electrical career - 9.45am
- Becoming a host employer - 10.30am
- Electrical licensing categories - 11.15am
- Building a Safer Workforce - Safety and Training Essentials - 12pm

Guided Campus Tours - 3 time slots to choose from:

Step inside CET's state-of-the-art training facilities. See where future electricians train, speak with our experienced trainers, and learn about pre-apprenticeships, apprenticeships, and advanced training.

9.30am

10.30am

11.30am

Food, Drinks & Networking

Enjoy free refreshments and connect with apprentices, employers, contractors, and suppliers in a relaxed setting.

Who should attend:

- Students & parents
- Career changers
- Business owners & contractors
- Employers looking for apprentices
- Overseas and interstate electricians needing their WA licence
- Anyone interested in WA's electrical industry
