

**The LSE Department has begun distributing learning profiles and individualised plans to teachers of identified students with learning support and/or enrichment needs.**

As many will recall, LSE at St Pius X has been undergoing change during 2016, when the Learning Support and Enrichment Department increased its staff to form a larger team with closer links to the Junior School, in order to broaden its scope to support students and work with teachers across Year 5 to Year 12. We are located, together with Counselling team, on Level 2 of the Admin Block

Should you wish to contact the specific LSE Teacher & IP Convener for his particular year group with any concerns and queries about his learning issues or progress, please phone the school (02) 9411 4733), or contact us via email, as follows:

**In 2018, the LSE contact points for parents/ carers, staff and students, are as follows:**

Year 5 & 6 LSE Teacher & IP Convener – Mrs Bridie Barrett (Tues, Wed, Friday)  
[BBarrett@stpiusx.nsw.edu.au](mailto:BBarrett@stpiusx.nsw.edu.au)
