Eugene De Mazenod

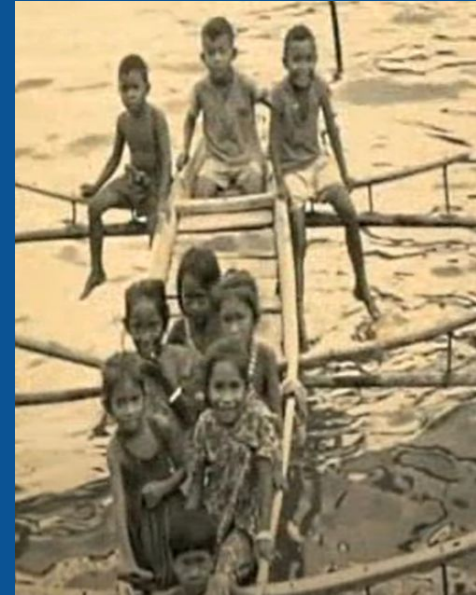

Eugene De Mazenod was the founder of the order of Priests that we have at our church, called the Missionary Oblates of Mary Immaculate or OMI.

Fr John and Fr Angelo are OBLATE PRIESTS also.

Eugene wanted his priests to show love and kindness to the most abandoned people OR THOSE WHO HAD BEEN FORGOTTEN, including refugees, the poor, sick and homeless.

THIS IS A SHORT VIDEO ON THE WORK HE DID TO HELP THE POOR, SICK AND HOMELESS OF THE PHILIPPINES.

FATHER THOMAS HAYES

Fr Thomas Hayes OMI (Oblates of Mary Immaculate) was the first priest at St Mary's Star of the Sea. He was an OMI Priest or an OBLATE PRIEST (for short!)

THE THOMAS HAYES AWARD:

We have a special award given to one Year 6 student each year named after him, known as the Thomas Hayes Award.

It's one of the most important awards at the end of the year.

It is given to someone who is a person for others, someone who is kind and caring and represents our school well.
