

Early Entry Programs for 2022 Entry

ACU Guarantee Program

Guarantee your place at ACU, even before your Year 12 exams. The ACU Guarantee program offers eligible Year 12 students a place at ACU based on your Year 11 results.

With the considerable challenges Year 12 students have been facing this year, ACU has introduced the **ACU Guarantee** program. Students can make an application through this program, have their Year 11 results considered, and ACU will produce a predicted selection rank and make a conditional early offer before final exams have been sat.

Applications for 2022 opened 1 June and close 24 September 2021. Students are required to apply through the ACU Guarantee application portal on the ACU website and can choose to apply for up to 2 courses. Students will have to upload their Year 11 reports and must supply a brief statement outlining their personal circumstances and motivation for university study, which may help improve their selection rank. Students need to be mindful that not every course is participating in this program. **Students must also make a VTAC application.** Find out more at [ACU Guarantee Program](#).

Year 12 Entry for 2022 – Early Offers

Bond University is committed to continuing to support students. Continuing an initiative developed in 2020, in 2021 we will assess applications based on Semester 1 and Semester 2 Year 11 results, and the first semester Year 12 results, for entry to Bond in 2022.

How it works

1. Students complete Bond's direct [online application](#), submitting results from Year 11 and Semester 1 of Year 12.
2. Bond University will assess the application and school grades against the minimum entry requirements for Bond's undergraduate* and diploma programs (*excludes medical program).
3. Students who meet the entry requirements will receive an offer that guarantees entry to Bond conditional only on the completion of Year 12 and meeting any subject pre-requisite requirements for the specific program.
4. Once students successfully complete their Year 12 and pass any required prerequisite subjects, the offer will become unconditional.

*Students who apply to study at Bond **after** the release of ATARs in December will be offered based on their final ATAR score. Find out more at [Studying at Bond](#).*

Aspire – Early Admissions Program

At La Trobe, we believe there is more to being a good student than marks alone.

The [Aspire program](#) rewards the skills and knowledge students gain from the positive impact they have made on their school or community through **community service** or **volunteerism**. Designed to give Year 12's the tools they need to succeed at La Trobe and beyond, students accepted into the Aspire program will get:

- *A taste of university life at La Trobe with special on-campus events before the year commences*
- *The chance to meet and connect with like-minded students*
- *Leadership opportunities, career development, networking, and industry mentoring*
- *VCE revision lectures for Year 12's in the September school holidays*
- *Access to our extensive library and campus resources*
- *Induction into our Enrichment Program to prepare for what is to come*

Successful applicants also receive their **early conditional offer** in September for their chosen course along with minimum ATAR requirements. Many courses have a minimum ATAR of 50, but some professional degree programs have higher requirements. **Up to 40 [Aspire scholarships](#), worth \$5,000 per year for up to four years, will be awarded to leading eligible Aspire students.**

The [Minimum ATAR Table](#) shows the minimum ATAR for some professional degree courses for entry through Aspire in 2022. Should an applicant's preferred course not be listed on this table, then the minimum ATAR is 50.

Applicants are required to provide information about the length and frequency of their community service and/or volunteering experience, as well as a 400-word description of their involvement and impact.

Types of volunteering include –

- community service or community group activities
- religious/cultural group activities
- participating in social justice groups or a school leadership role
- leadership in sport, the performing arts or charity fund-raising group activities

Further details can be found at the [How to Apply](#) link. Applications are open and close 17 September 2021 with conditional offers coming out early October 2021. Students must also make a VTAC application.

Early Offer Scheme

RMIT's Early Offer Scheme values the entire experience of a student and provides diverse opportunities for students to leverage their acquired skills into their future career and find the right journey to their desired learning outcome.

Australian and PR students can apply for one course and must apply at the following RMIT link - [Early Offer Scheme](#). The eligible courses on offer are also found at this link.

The application process requires students to -

1. Address two of five of the following categories:
 - Leadership
 - Creative Thinking and Innovation
 - Interpersonal Skills and Teamwork
 - Communication
 - Analytical and Critical Thinking
2. Write a 200-word statement of their experience for each of the two chosen categories
3. Supply supporting documentation verifying their involvement in the two categories they have written about

Applications are open and close 31 August 2021. Conditional offers will be released by 24 September 2021. The conditional offer will become unconditional should students complete Year 12, meet the course prerequisites, and attain the ATAR required. **Students must also make a VTAC application.**

Early Entry Program

A different way to enter university that will not depend on your ATAR

The [2022 Early Entry Program](#) is a unique opportunity for current Year 12 students to receive a conditional offer based on a recommendation by the school, and not based on an ATAR. Applications will open 2 August 2021 and close on 31 August 2021. Conditional offers will be made from mid-September 2021. Successful students will receive a conditional offer and the offer will become unconditional should students complete Year 12 and must meet the course prerequisites – particularly English (study score of 25) or EAL (study score of 30).

Details of the application process, as well as participating courses can be found below.

1. Application process

Students must organise a recommendation from a school representative – the school’s principal, the year level coordinator, Head of House, or Career Practitioner – in order to proceed with an application.

2. Eligible courses

Courses that will be offered through this program can be found at [Eligible Courses](#), and students can only apply for one course. Students should note that a number of Professional degrees are included on this list, which are degrees with one full year of work experience built into them. Students who are not successful receiving an offer for a Professional degree, will automatically be considered for the eligible 3-year degree.

Students will be required to complete 3 questions in a *Next Gen Now* questionnaire, and those students keen on applying for a Professional degree will have to answer an extra question in their application. Students will be asked to provide a 200-word statement per question.

3. Recommendation form

Once an application is submitted, students will receive a confirmation email which will include the form they need to forward onto their chosen school representative, who will complete the form and return it to Swinburne, who will match it with the student’s application.

Students must also make a VTAC application.

Early Access to 2021 Courses at the University of Tasmania (UTAS)

UTAS’ *Schools Recommendation Program* is a program allowing Australian year 12 students to apply for up to five courses and receive a conditional offer before the final results are released. So, rather than an ATAR, the application is based on a student’s school recommendation and their Year 11 results. It has been designed to give students confidence in completing their Year 12 and receiving a university place in 2022.

The program is open to nearly all of the UTAS courses, including the new flexible double degrees, undergraduate degrees, and associate degrees. Learn more about these courses at [What courses are not part of the Program?](#)

Applications are open, and there are a number of application rounds, and applications can be submitted right up to 31 October 2021. Applicants will be notified of their success after UTAS has received the recommendation from their school.

Students are encouraged to browse [UTAS School’s Recommendation Program](#) to find out more.
