

Dear Trivia Night Attendees,

We are looking forward to your company for a great Trivia Night on Friday. We promised table themes and here they are!

Please see the link in your emailed Humanitix ticket for your table name and match it to your table theme. Come with a touch of theme or a lot, it's up to you. If you are a table captain, please ensure that everyone on your table knows about the theme as we may only have your email address for these tickets.
