What's been happening...

The start of something new in term 2...

Welcome back to another term of awesome fun at OSHClub! The children have already participated in so much and cannot wait to see what this term has planned for everyone.

OSHClub have introduced an extended learning activity - Rugby Victoria which started on the 3rd of May and will be running for the Tuesday of May. This is at no extra cost to parents; children only need to attend after school care on Tuesday.

The students have also taken charge during group times and confidently share the acknowledgement of country every morning and afternoon. This has developed a sense of belonging to our community as we further the children's knowledge within OSHClub space and demonstrates their respect for diversity.

Also, over the Autumn Holiday Program the OSHClub team has grown and we're pleased that the children have shown much kindness and have welcomed Daphne, Jalpa, Veena and Rhia! (See page 2 for staff introductions each newsletter). Please do not be afraid to introduce yourself to the team!

If you wish to provide feedback to the team, please do not hesitate to share via email: dohertyscreek@oshclub.com.au

Friendly Reminders

Before & After School Care Bookings

Bookings can be made online any time up to 24 hours before the session commences. To make a booking after this time, please contact our team directly on 0428 671 093. Late bookings will incur an additional \$4.00 fee.

To avoid any out-of-pocket costs, cancellations must be made at least 48 hours in advance. Cancellations within the 48 hours of the session will incur the full fee, minus any applicable CCS.

Drop off for Before School Care

Please ensure you are dropping your children off into OSHClub. Children are not to walk themselves from the Elmhurst Gate, this is not only so staff can greet parents but to ensure children arrive into care safely.

Autumn Holiday Program

This holiday program has been amazing, the children had the opportunity to venture out to Yarra Bend Mini Golf and Team Adrenalin. While in service incursions were The Science Discovery Dome and a Self-Guided Pokemon Trainer - Our brilliant Camilla ran the Pokemon Trainer and it was a hit! The children enjoyed learning how to battle each other and have the chance to go home with a collectable item.

The best days voted came to a tie with *The Race is on!* and *Everlasting Fun!* being the childrens favourite picks. During *The Race is On*, the children were divided into groups to compete against their peers with their educators, it was the race of the year! They worked together to be fast thinkers, quick on their feet and amazing team workmanship to complete their tasks such as math problems on the office playground, eating an orange with no hands, designing their own team bandanas and so much more! Whereas *Everlasting Fun* was all about creativity and a bit of sugar, on this day the children turned into little tinkers in the inventing room, made their own edible wallpaper and paid a visit to the chocolate factory!

We can't wait to share what we have planned for the Winter Holiday Program 2022!
