## Kindergarten Creative Arts

Dear Parents and Caregivers,

As part of the visual arts strand of the NSW K-6 Creative Arts Syllabus, Kindergarten has been learning about warm and cool colours.

Please find enclosed another (optional) activity to be completed by your child.

### Activity 3: Warm and cool colours

Using your medium of choice, help your child to colour one side of the picture in warm colours and the other side in cool colours.

***Warm colours like red, yellow and orange make us think of sunlight and warmth. They make us feel toasty and warm inside.***

***Cool colours like blue, green and purple make us think of cool and peaceful things, like winter skies and lakes. They make us feel chilly inside.***

Enjoy,

Miss Rhiannon Back  
Kindergarten Creative Arts teacher
