MAKE YOUR MOVE

Get into the heart of it with a move into Deakin Res.

Price Reduction / Freeze

We know 2020 has been tough for so many and that students want to feel safe, connected and supported whilst they study at Deakin. At Deakin Res we are committed to ensuring more Deakin students thrive and our award winning student experience enables us to do this.

To ensure more Deakin students benefit we have significantly reduced or frozen our fees at each of our campuses, further positioning Deakin Res as a cost-effective, affordable accommodation option. These price reductions are effective immediately and are permanent* as we want our current and future Deakin students to benefit from these reduced rates for the entirety of their degree, not just in 2021.
