

# Wanslea Early Childhood Approach

Delivering the NDIS in your Community

Do you have a child who is Deaf or hard of hearing under 7 years of age?

Does your child have an NDIS plan, and you have questions about the types of support available to best support your child, or how to get the most out of an NDIS plan?

Join us for one of our four tailored groups supporting parents and carers of children who are Deaf and hard of hearing.

- Hear from Allied Health Professionals
- Meet other parents and carers of children who are Deaf or hard of hearing
- Ask questions about ways to get the most out of your child's plan

Interpreters provided.
