

# Give feedback on the NDIS Navigator service at your school

The Department of Education has created NDIS Navigators in Victorian Government specialist schools. NDIS Navigators help you to understand how:

- the NDIS works
- to access the NDIS.

The Department of Education has employed Deloitte Access Economics to evaluate the service.

## Why we need your help

As you have used the NDIS Navigator service at your child's school, you are invited to share your feedback. Your feedback is important to help improve the service.

There are three ways to help. You can choose one, two or all three ways to share your feedback.

### Complete a short 5 to 10 minute survey.

You can access the survey via the link or QR code:

The survey is open until 30/06/2025.

### Join a short 15-minute conversation.

The conversation can be online or via telephone.

### Share your written feedback.

Share written feedback to Alana Hutchison from Deloitte at [alhutchison@deloitte.com.au](mailto:alhutchison@deloitte.com.au)

If you take part your personal information will not be shared with the Department of Education or your school.

If you don't provide your feedback, you can still get support from your NDIS Navigator.
