## Rubbish Robots

After School Care  
13-17 November

### A message from your Coordinator

The children have exploring different construction experiences. From the Lego, to Magnetic Tiles to Crazy Fortsi pieces. They have also embraced the table tennis net that attaches to any table.

Some of the children have also exploded their academic interests, pursuing additional 'work' that is beyond their year level – the name for this we are still working on.

Reminder – if you wish to book a place, please use the Parent Portal, as it will indicate our capacity for your booking.
